CONTEST DEADLINE

SEPTEMBER 17, 2010

www.veeco.com/calendar

CONTEST OVERVIEW

Winning images will be featured prominently in the 2011 Veeco SPM Calendar, which is distributed to thousands of AFM/SPM users worldwide. Images will also be posted in Nanoscale World, Veeco's new AFM online community.

CONTEST RULES

- The review committee will select winning images based on scientific merit, creativity, and presentation
- You may make multiple calendar contest entries
- Each submission must include the Veeco AFM/SPM model used, controller model, probe type, scan size, a one-paragraph explanation/caption for the image, complete author credit, and institution information

ENTER TODAY!

The editor for the 2011 calendar is looking for the best SPM image out there - **we think it could be your image on the cover!**

WINNING PRIZES

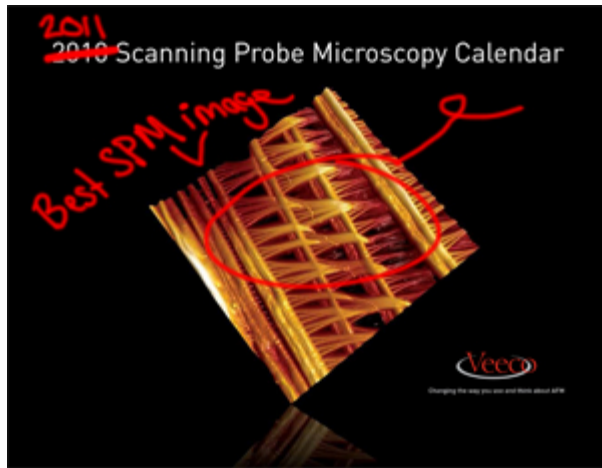

Image selected for calendar cover will win:

- One (1) Apple iPad
- One (1) free registration to Veeco's 2011 Seeing at the Nanoscale Conference in Santa Barbara, CA (\$500 value)
- One (1) \$1000 Veeco credit towards the purchase of any Veeco probes

All other contest winners will receive:

- One (1) \$1000 Veeco credit towards the purchase of any Veeco probes
- A thank-you gift from Veeco
